

MILLER

LOW-TECH WINE & KITCHEN

We source our ingredients from the best farmers from Germany, Holland, France and Italy and compile them into delicious dishes without fuss or make-up. Our menu changes often, so check our Facebook page for an idea about what we are cooking at the moment.

We also offer biological charcuterie and a vast selection of raw milk cheeses.

WINELIST - 2016

All our wines are either bio, bio-dynamic or natural
